He was astonished to find again in Chicago. Being a ratification meeting called to the railroad platform and all the Mrs. F. D. Hobbs and her daughter, approve the program mapped out by streets surrounding it literally choked Miss Edith Hobbs, leave this evening Being a ratification meeting called to the railroad platform and all the the federal office holders, it did its work with humanity, while the tops of the for a month's rest in Colorado. They with neatness and dispatch, heard a freight cars and all the nearby build- will visit Mr. and Mrs. Charles H. Brink few speeches of the orthodox Republi- ings were covered. The crowd was escan type and adjourned, subject to the timated by the local committee at rado Springs. directions of the syndicate that named 12,000. But we will let the Plain

One thing was notable for its absence, and that was the local option question. Although the leaders of the party, and its organ for months have been proposing temperance legislation of some sort, the platform is conspicuously lacking in any reference to the subject. Further, it is worth observing that Senator Smoot's candidacy for reelection was passed by discreetly. That may have been, and probably was, because Senator Smoot's ambition to succession.

matter for congratulation, the Smoot party is entitled to felicitations by the barrel; if a promise of turmoil and agitation and unrest for the entire state is an achievement, then the machine has accomplished the limit of will an honest man now."

great crowd surged after him. He called to the crowd not to crush the women, who were in danger.

A smoke-begrimed railroad man in overalls climbed to the platform, and, waving his cap, shouted:

"I am a Republican all my life, but I'm has accomplished the limit of political possibilities; if factional discord and selfish monopoly of political emoluments is a thing to be proud of, then Smoot and Sutherland and Howell, Spry, Callister and the others of the syndicate ought to be puffed up like a poisoned pup over their triumphs.

From a Democratic standpoint the onvention was admirable in the consistency with which it pursued the chosen plans of the leaders to bar from office all those independent Republicans who refuse to accept Smoot as an inevitable necessity. Sooner or later, under such manipulation, the party will guiding it, and when it reaches that stage-as it promises to this year-the Democratic party will be recognized as the one hope of escape from the conditions which have been inflicted on the state by the Smoot machine.

HUGHES' NOMINATION.

Although the politicians did not want of the pressure brought to bear on him them by President Roosevelt. Whether his candidacy will help Taft or not in his ownestate is a serious question for the Republicans, with the machine men declaring he will lose the state for them, and the better sentiment of the of strength. Whether he will prove a success or not, the struggle over his at the beginning of the campaign.

Bearing Roosevelt's indorsement as Circulation in Salt Lake proved + he did, although he evidently cared McGurrin will entertain a party in one very little what the president did, Governor Hughes carries the onus of the Roosevelt unpopularity among those New Yorkers who have in former years financed Republican national campaigns and given it the weight of their influence. In this particular he is han-dicapped much as Taft is, without the Polson. The relatives only were presdicapped much as Taft is, without the compensating advantage of Taft in the president's popularity in other parts of

Off-hand we should say that Hughes' nomination ought to inure to the beneprimaries tonight for the selection of fit of the Republicans in the country at delegates to the state, judicial and large, while it will probably cost them county conventions, and it is important the state of New York and the major representative attendance portion of the funds on which they had pliment to her niece, Miss Anne Black-
